**NEGOTIATION**

**SEPTEMBER 10 TO 22, 2022**

**I PARTICIPATE IN THE CONSULTATION!**

## LOCAL NEGOTIATION UPDATE – Work Time Arrangements

The General Assembly and the Intermediate Council endorsed the WTA agreements by a large majority. Next step: the elected officials will sign the agreements. We have agreed with the employer to proceed electronically so that the agreements are implemented as quickly as possible.

**The signature is only the 1st step, the second is to claim its implementation!**  
Remember to make your WTA requests known to your manager.

## Provincial negotiation : the consultation

The provincial negotiation is just around the corner. The first step is to find out what your interests are for your next employment contract. To do this, a survey is being deployed until September 22, 2022 inclusively.

Your representatives will be visible to discuss union issues, but also to guide you in completing the survey.

It is important to complete the survey because it is the step to determine what will be the demands made in negotiations. Why negotiate you say? To change working conditions that do not meet your needs. **Now is the time to say what you want.**

These are your demands, your collective agreement, your employment contract and YOUR WORKING CONDITIONS!  
**Let's demand better working conditions, let's fill out the survey!**
