

Negotiations: Status report

Negotiations with the Employer

As mentioned during the distribution of the Special Negotiations Newsletter, Vol. 1, Number 3, a meeting was scheduled for Tuesday, June 28th at 1:30 pm.

On Monday, June 27th, the Union received an email informing them of the cancellation of the meeting scheduled for the following day. The reason for the cancellation? The distribution of the Special Negotiations Newsletter.

They are asking to hear from us on this matter before resuming discussions.

As of June 28th, the Negotiation Committee has sent out new availabilities to the Employer.

A meeting is confirmed for July 12th.

Information from the members

NICU

The Employer had decided to offer the **Annex 8**.

In the interest of transparency, the Work Organization Committee deemed it imperative to meet with the members of the center of activities.

The goal?

- to inform them of recent developments and
- to warn them of the temporary nature of the Annex 8.

NICU Union demands

Following the June 20th meeting, 51 NICU members were explicit about the Annex 8.

According to them:

"It is imperative that the Annex 8 arrangement be made **permanent** and that it be offered to all nurses with a full-time position."
