MARCHE MONDIALE DES FEMMES

World March of Women 2010

Launch of the campaign: kilometres of solidarity!

The Quebec branch of the World March of Women recently launched its campaign of kilometres of solidarity in order to finance the actions of the Quebec March which will take place October 12 to 17. More than 8,000 kilometres will be covered in Quebec by hundreds of marchers in all regions. At only \$5 a kilometre, it is possible to buy the number of kilometres wanted.

Buy on line at the FFQ web site.

"On a assez étiré l'élastique!"

Last week the Quebec branch of the World March of Women launched the first of five web video briefs which will be aired in the months to come. Each week, until the March which will be held October 12 to 17, these briefs will present the demands of the marchers with a caustic and subversive tone. The message is clear for the Quebec woman's movement: our patience has been tested long enough and it's time for change!

See the briefs and share them with others:
