

Dare, Act, Influence: The FIQ makes an audacious change

Video clips

Hundreds of delegates, representing the 60,000 healthcare professional members of the Federation and from all the regions of Québec, attended the 9th Convention of the FIQ which took place from June 6 to 10, 2011.

Michèle Boisclair, 2nd Vice-President, addressed the members of the FIQ.

Assistance for the flood victims

The Montérégie TRAC is proud to give the S.O.S. Richelieu organization an amount of \$26,500 to assist the flood victims.

Thank you for the generosity of the delegates, the affiliated unions and the Federation!

The FIQ attends the Canadian Federation of Nurses Unions Convention

Political officers and activists from the Federation are attending the convention of the Canadian Federation of Nurses Unions (CFNU) being held in Winnipeg from June 13 to June 17. Federal issues, including overcrowding in hospitals, the nurse-patient ratios, care for the elderly and the next Health Accord will be discussed.

For more information, go to the CFNU website at

Summer period

The FIQ Express, while not taking the whole summer off, will be put online in mid-July and in mid-August. It will once again be published every second Wednesday starting in September.

Have a good summer!
